GOVERNOR'S CORNER

Dear fellow Moose members,

This will be my last entry to the Governor's Corner, so I wanted to thank EVERYONE.

Thanks to my fellow officers who supported me and each other throughout the year. We can all say that we honestly gave our best efforts to serve you and this lodge to the best of our abilities through many tough issues and challenging events. I hope to see many of them back in the running this year.

Next I'd like to thank the Women of the Moose and their officers, who continue to support this lodge everyday and in every way that they can. When I first wrote to you, I promised that we would pool our energies to assist each other in improving the lodge. I believe that we did accomplish that goal rather successfully.

I also wish to thank those members who volunteered so selflessly and tirelessly, for those who offered ideas to improve the lodge and our functions, and for those who showed their patronage via dues paid and visits to our lodge. It takes all of us to make this lodge run, and the manners in which contributions can be made are plenty. So once again, I, and the rest of the officers, thank you all sincerely!

Finally, I'd like to thank my dad, Wayne Koski, for understanding and putting up with my occasional absenteeism from our planned Father/Son time together. Thank you, Dad.

Now it is time to start thinking of that volunteerism I just mentioned. As you know, officer elections are coming up. That means we are looking for members who want to make a difference by running for an elected office. The work is tough and sometimes thankless, but you WILL notice that your efforts make a difference. Every once in a while, someone will tap you on the shoulder and say they appreciated your honesty, candidness, effort or assistance in addressing issues. These moments make it all worthwhile. So if you've ever considered it, please talk to an officer. They will be happy to sit and talk with you about what it means to be an officer. Nomination forms can be picked up from the bartenders or in the office.

Now comes the last paragraph and you're saying to yourselves... FINALLY! I'd like to say how excited I am about the events coming up this year, namely the lodge's 100 year anniversary celebration! It will be a party to remember. Please keep in mind that the only stupid idea is one that's never heard by other ears. Please speak up if you feel compelled. Thank you for a great year and I'll be seeing you 'round the lodge. It's been a pleasure serving you.

Fraternally and Sincerely, David Koski, Governor

SENIOR REGENTS CORNER

Hopefully as you read this all of these many snowflakes will be history. Can you believe that this Moose year is almost over? Our chapter will be having their elections for a new beginning with new officers and a bright shiny new year for Chapter 610.

I would like to sincerely thank all of the chapter ladies for all of their support, help, encouragement, positive attitudes, sponsoring many new members, and lastly for making our chapter one of the best in the state and the country.

These last two months will be busy and fun. Our chapter meetings in March are on the 3rd and 17th. The 17th will be the election for our new board of officers so plan ahead to come earlier to make your vote count.

April's meetings are on the 7th and 21st at 7PM as well. Check out the Chapter Chatter for more information about up coming events.

Once again thank you for granting me the honor of being your Senior Regent, I have learned so much, but the best part has been getting to know such a wonderful group of ladies.

Well, we made it though another winter, snow and cold and with that another chapter year comes to a close. It has been a busy year and would not have been possible without the co-workers that help all year and all the new members that joined this year, you are so important for our success.

Elections for new officers will be held on March 17th before the Chapter Meeting, and the Installation of those elected will be installed on April 16th at 1:00pm. This is a joint installation and the men officers will be installed following at about 2:00pm

With the new chapter year approaching all members new and old are encouraged to talk to your officers give them suggestions about what events you would like to see or functions you feel would be fun and benefit the chapter. Please remember we "NEED YOU", your ideas and participation is important and we can all have fun along the way. A little help goes a long way and is always appreciated.

Please keep an eye open when you are at the lodge for postings of up coming events the new officers and the chapter will be having.
